

Creating a retelling

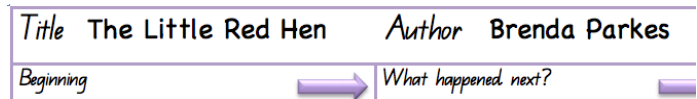

1. **Choose** a story that you have read or listened to before.

2. **Read** or listen to the story again.

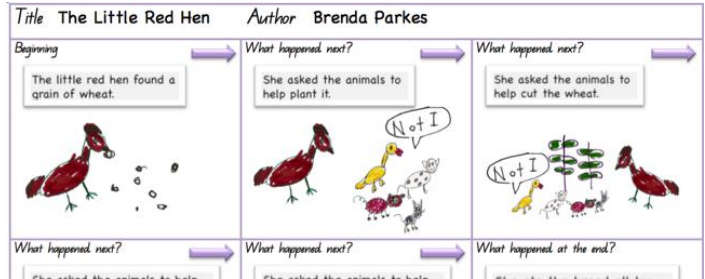

3. **Look** at *My retelling planner* and write the title and the name of the author.

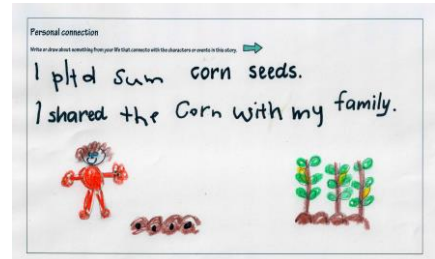

4. **Draw** a picture and write sentences to retell what happened:

- in the beginning of the story
- during one or more events in the story
- at the end of the story.

5. **Draw** or **write** about something from your life that connects with the character or events in the story.

6. **Rehearse** the retelling of your story.

7. **Present** when you are ready to retell the story.
