

## Put your happy face on

Put your happy face on. Take your happy face off.  
Put your happy face on and you smile at everyone.  
You do the wiggle wiggle and you jump up and down.  
That's how I feel today.

Put your sad face on. Take your sad face off.  
Put your sad face on and you cry at everyone.  
You do the wiggle wiggle and you jump up and down.  
That's how I feel today.

Put your grumpy face on. Take your grumpy face off.  
Put your grumpy face on and you growl at everyone.  
You do the wiggle wiggle and you jump up and down.  
That's how I feel today.

Put your surprised face on. Take your surprised face off.  
Put your surprised face on and shout 'Hooray!' at everyone.  
You do the wiggle wiggle and you jump up and down.  
That's how I feel today. Yeah!

(Sung to the tune of 'The Hokey Pokey')
