

Game instructions: Rhyming bingo

The aim of the game is to identify rhyming words. This is a game for 2–4 players.

You will need

- Sheet — Rhyming bingo cards
- Sheet — Rhyming bingo boards
- Container to hold cards (for example: bowl, hat, bag)
- 9 markers per player (for example: counters, coins)

What to do

1. Put the bingo cards in a container.
2. Give each player a bingo board.
3. The 'caller' takes a random card from the container and reads the word aloud.
4. Players hunt for a matching rhyming word on their board.
For example: if the card is 'mole', players must hunt for a word that rhymes with 'mole' (such as 'hole').
5. If a player finds a rhyming word on their board, they say the word aloud then place a marker on the word. More than one player may have a rhyming word and can also say and mark the word on their board.
6. The first player to cover all the words on their board calls 'Bingo!'

Fast game:

Players call 'Bingo!' when any one line of the board is covered (including diagonal lines).
