

## **2s Song**

(to the tune of *The ants go marching*)

One 2 is two  
It's true, it's true  
One 2 is two.

Two 2s are four  
We're sure, we're sure  
Two 2s are four.

Three 2s are six  
And four 2s are eight  
And five 2s make the lovely number 10.

2, 4, 6, 8, lovely number 10.

Six 2s are 12  
That's swell, that's swell  
Six 2s are 12.

Seven 2s are 14  
You're keen, you're keen  
Seven 2s are 14.

Eight 2s are 16  
And nine 2s are 18  
And ten 2s make the lovely number 20.

12, 14, 16, 18, lovely number 20.
