

3s Song
(to the tune of *Little Brown Jug*)

Ha! Ha! Ha!
He! He! He!
Why do I love the number three?
Ha! Ha! Ha!
He! He! He!
Multiply and you will see.

One 3 is three
Two 3s are six
Three 3s are nine
Multiplying's fine, fine, fine.

Ha! Ha! Ha!
He! He! He!
Why do I love the number three?
Ha! Ha! Ha!
He! He! He!
Multiply and you will see.

Four 3s are 12
Five 3s are 15
Six 3s are 18
Seven 3s are 21.

Ha! Ha! Ha!
He! He! He!
Why do I love the number three?
Ha! Ha! Ha!
He! He! He!
Multiply and you will see.

Eight 3s are 24
Nine 3s are 27
Ten 3s are 30
Multiply along with me.

Ha! Ha! Ha!
He! He! He!
Why do I love the number three?
Ha! Ha! Ha!
He! He! He!
Multiply and you will see.
