

4s Song

(to the tune of *Oh when the saints come marching in*)

Oh, number four,
Oh, number four,
You're the number we adore.
Some people think you are a square
But you're four beyond compare.

One 4 is four,
Two 4s are eight,
And three 4s are 12.
Number four is the double doubles mate,
Number four, we think you're great.

Four 4s are 16,
Five 4s are 20,
And six 4s are 24.
Number four is the double doubles mate,
Number four, we think you're great.

Seven 4s are 28,
Eight 4s are 32,
And nine 4s are 36.
Number four is the double doubles mate,
Number four, we think you're great.

Ten 4s are 40
We could make more
Double doubles with the number four.
Some people think you are a square
But you're four beyond compare.
