5s Song
(to the tune of *Here we go loop de loop*)

Counting in 5s is fun,
Counting in 5s is nifty,
Counting in 5s is fun,
I can count up to 50.

1 multiplied by 5 (makes 5),
2 multiplied by 5 (makes 10),
3 multiplied by 5 (makes 15),
4 multiplied by 5 (makes 20).

Counting in 5s is fun,
5, 10, 15, 20,
Counting in 5s is fun,
5, 10, 15, 20,
Counting in 5s is fun,
5, 10, 15, 20,
Counting in 5s is fun.

5 multiplied by 5 (makes 25),
6 multiplied by 5 (makes 30),
7 multiplied by 5 (makes 35),
8 multiplied by 5 (makes 40).

Counting in 5s is fun,
5, 10, 15, 20,
Counting in 5s is fun,
5, 10, 15, 20,
Counting in 5s is fun,
5, 10, 15, 20,
Counting in 5s is fun.

9 multiplied by 5 (makes 45),
Wow, those 5s are nifty,
What about 10 5s?
Well, I said I could count up to 50.
