

9s Song

(to the tune of *Click go the shears*)

Up on the board, the nine facts are there
With the number nine scattered everywhere.
Nine 1s are nine,
And two are 18,
Three 9s are 27,
Four are 36.

To check your answer, click click click,
All you have to do is remember this trick.
Add the 10s and 1s in the answer to find
Nine is in the answer, nine every time.

Five 9s are 45,
Six are 54,
Seven 9s are 63,
Eight are 72,
Nine 9s are 81,
And we're almost done,
Ten 9s are 90,
Nine facts are fun.

To check your answer, click click click,
All you have to do is remember this trick.
Add the 10s and 1s in the answer to find
Nine is in the answer, nine every time.
