

Days in the month rap

Thirty days has September,
April, June and November,
All the rest have thirty-one,
But wait a minute, you're not done,
February leaps from time to time
From twenty-eight to twenty-nine.

Thirty days has September,
April, June and November,
All the rest have thirty-one,
But wait a minute, you're not done,
February leaps from time to time
From twenty-eight to twenty-nine,
From twenty-eight to twenty-nine.
