

Months of the year

When will I see you again, my friend?
January, February and March,
When will I see you again, my friend?
April, May and June.

When will I see you again, my friend?
July, August and September,
When will I see you again, my friend?
October, November and December.

When will I see you again?
When will I see you again?

January, February, March, April, May,
June, July, August,
September, October, November, December,
That's when I'll see you again!
