

(to the tune of *Ten little Indians*)

One little, two little, three little meerkats,
Four little, five little, six little meerkats,
Seven little, eight little, nine little meerkats,
Ten little meerkats in a row.

Ten little, nine little, eight little meerkats,
Seven little, six little, five little meerkats,
Four little, three little, two little meerkats,
One little meerkat.

Where'd they go?
