Hi friends,

Guess what! The weather for my trip to the beach was wonderful. It was warm and sunny with just a gentle wind to cool me off. Of course I took my sunscreen, sunglasses, hat and a big umbrella to stop me from getting burnt.

Here is a photo a friend took of me enjoying the lovely weather.

Can you see the lovely cloud in the photo?
When we were relaxing, my friend and I had great fun looking for different shapes in the clouds. Lucky they were just white fluffy clouds and not big black heavy ones.

I wonder what the weather will be like next week?

Your friend,
