

# How does weather affect animals?

Look at these pictures of animals. Talk about how weather might affect them:

	<p>Do you know a dog? What weather do you think they like? What weather don't they like? What do they do because of the weather?</p>
	<p>Have you watched ants? What weather do you think they like? What weather don't they like? What do they do because of the weather?</p>
	<p>Do you know about polar bears? What weather do you think they like? What weather don't they like? What do they do because of the weather?</p>
	<p>Have you watched birds in your area? What weather do you think they like? What weather don't they like? What do they do because of the weather?</p>
