## Letter from Gumnut

Hello everyone,

My name is Gumnut. I have lived in your area for a long time, but now I need to go away for a while.

While I'm away there is something important that needs doing.

I need you to check on some of my friends who live outside to make sure they are healthy and safe.

They are fun and interesting to observe. If you use your senses carefully you can learn so much.

I have heard you are kind and learning about science. Would you please, please help me by keeping an eye on my friends?

Thank you,

From Gumnut
