

Do pets have needs?

Did you know that pets are living things?

Like all living things, there are some basic needs that we have

<http://www.morguefile.com/archive/display/901709>

We need...

water

If all our needs are met we

<http://www.morguefile.com/archive/display/860897>

And if OUR
needs are
met...

So look after your pets
because they depend on
YOU to have their needs
met!
